Dear Richard

Re: NHBC 'Pride in the Job Awards 2021'
Winterbourne Meadows, Winchester St Peter's Quarter, Chertsey
Mindenhurst, Deepcut Andlers Wood, Liss

It gives me great pleasure to confirm that the above developments have been awarded an NHBC 'Pride in The Job' Quality Award.

As part of the team I personally thank you for your support and commitment to quality.

This is a team award and I ask you to pass on my gratitude to all of those who have contributed throughout your business.

The award places these developments in the top 400 in the UK from 15000 entries. The judging will continue through to the next round which will lead to the winners of the coveted 'Seal of Excellence', 'Regional Winner' & 'Supreme / National Winner'.

This is a record year for CALA Homes Thames winning a total of 4 awards with the CALA Group achieving 16. This places the CALA Group 6th in the UK against all the developers, and all this, in what continues to be a challenging year.

As a team we achieve more and this is a testament to the success of the site teams and rightly so, your team is an integral cog of the site machine and should celebrate this success.

In recognition of this success we will be sending you a personalised certificate of your achievement in the next few weeks.

Thank you and remember the judging continues!

Best regards

Stephen Bennett MCIQB MRICS
Construction Director
